KANSAS BULLETIN NO. KS300-16-41

**SUBJECT: LTP–Conservation Stewardship Program (CSP) Kansas
Exception to the Operator of Record–Request for State Conservationist
Approval Form**

Purpose: To provide an updated fillable form for requests for Exception to the Operator of Record for State Conservationist approval

Expiration Date: September 30, 2017

Effective immediately, begin using the attached form for all requests for State Conservationist approval for Exception to the Operator of Record.

Note: Use of older forms will result in the request being returned.

Contact: Please forward questions and concerns, through established channels, to Kasey M. Robinson, Resource Conservationist, at kasey.robinson@ks.usda.gov or 620-275-0211.
